VOLUNTEERING

weLand

Asti and Monferrato region (Italy)
2012 - present

Project manager - digital and social innovation advisor

WeLand (NGO) is a network of young innovators that offers a development model based on building open information as "raw material" for the new economy. Last projects realized: From the hills of Europe (raising awareness of the EU citizenship among young people through the reuse of open data), Wikipedia@School (teaching activities on the reuse of Wikipedia data). More info: <http://we-land.com>.

Digital Champions Italia

Asti (Italy)
2014 - present

Digital Champion for the Municipality of Asti

Every member state in the EU has its own Digital Champion. The Italian Digital Champion, Riccardo Luna, decided to find out a DC in every municipality for helping local government to understand the importance of digital innovations. More info: <http://digitalchampions.it/archives/champion/stefano-leucci>.

Coder Dojo Italia

Trento - Alessandria (Italy)
2013 - 2015

Mentor

CoderDojo is a global movement of free, volunteer-led, community based programming clubs for young people. Young people, between 7 and 17, learn how to code, develop websites, apps, programs, games and explore technology in an informal and creative environment. More info: <http://coderdojo.trento.it>.

SOFT SKILLS

Electric and classical guitar playing

I study music since I was 8, playing in several orchestras and rock bands. I've skills in classical, electrical and bass guitar and I am now focused on blues music. I studied classical guitar with M. Piero Biello, M. Mina Tricarico, M. Maurizio Colonia, and electric guitar with M. Giuseppe Rosso and M. Kae Marcelo.

Visual arts: photography and graphic design

My other big passion is visual art, through the means of photography and graphic design. I got inspired by Ferdinando Scianna and Robert Doisneau. I developed a cool-hunting website, with the fashion designer Mauro Ravizza Krieger. More info at <http://mrkcoolhunting.com>.

Hiking and cycling

I love hiking and cycling, to free my mind and to be more creative.
