

Leonardo Favario

Short version CV

EDUCATION

- 2009 – 2013 **Bachelor degree in Information Technology Engineering**, *Department of Information Technology Engineering*, The Polytechnic University of Turin, Torino, TO, Italy.
- 2013 – 2014 **Master of Science in Computer Networking Engineering**, *Department of Information Technology Engineering*, The Polytechnic University of Turin, Torino, Italy.
- 2014 – now **Student of Computer and Control Engineering, Doctor of Philosophy**, *Department of Computer and Control Engineering*, The Polytechnic University of Turin, Torino, Italy.

SCIENTIFIC PUBLICATIONS

- April 2015, Genova L. Favario, M. Masala, A.R. Meo, *FARE: A New Free Architecture for Remote Education*. Proceedings of DIDAMATICA 2015, ISBN 9788898091386, Genova.
- June 2015, Turin L. Favario, M. Masala, *A new quality optimization framework for DASH streaming over wireless channels*. Proceedings of IEEE ICME 2015, Turin.
- July 2015, Taiwan L. Favario, M. Masala, A.R. Meo, *A New Platform for Cross-Repository Creation of Educational Paths: Architecture and a Case Study*. Proceedings of the IEEE COMPSAC, Symposium on Computer Education and Learning Technologies (CELT), Taichung, Taiwan.
- October 2015, USA L. Favario, M. Masala, A.R. Meo, *Seamless Cross-Platform Integration of Educational Resources for Improved Learning Experiences*. Proceedings of the 2015 edition of the IEEE Frontiers in Education Conference (FIE), El Paso, TX, USA.

LANGUAGES

- Italian **Mother tongue**
- English **Fluent**
- Spanish Speaking: **Fluent** Other skills: **Proficient**
- French **Independent user**
- German **Basic**
