

DJALALI AHMAD REZA

Prot. n. 310 del 29.01.2016

Dear Dr. Djalali,

I'm pleased to invite you at the Department of Health Sciences of Università del Piemonte Orientale, to speak at the Master "Environmental management of decommissioning and radioactive waste handling in health care, industry and research", organized in collaboration with SOGIN for the Academic Year 2015/2016.

This appointment regards the following seminars:

- "Contingency plans: nuclear facilities, transport, terrorist attacks - First aid and dosimetry in cases of radiation and contamination - Operating aspects related to workers involved in emergency situations" for 4 hours – February 12th, 2016 h 9-1pm
- "Training for emergency care in health facilities - Case studies: emergency response to Chernobyl and Fukushima events" for 3 hours – February 13th, 2016 h 9-12am

You will be paid a gross fee of €140,00 per hour of lesson (the total amount for 7 hours is € 980,00).

Please send us in advance the following documents:

- Curriculum vitae
- Personal Information Form
- Disclosure Statement Form

Best Regards,

The Head of Department
(Prof. Umberto Dianzani)
